

Amendment to the Drawings

Applicant submits herewith formal drawings to replace original Figures 1-7. Applicant has also amended Figure 2 to correct the block between BTS 36 and MSC 38, to correctly label the block “BSC” and to correctly use reference numeral 37, both for consistency with the specification as originally filed.

Remarks

Applicant has made this amendment to submit formal drawings and to correct inadvertent errors in the drawing text. The substitute sheets of drawings add no new matter.

Respectfully submitted,
